

Jan. 26, 1979 Phx. College
 Ronald E. Evans, Apollo 17 Command module ^(America)
 pilot. Film presentation of Apollo 17 flight.
 Question and answer period. Informal chat intro-
 duction. Description of liftoff Dec. 6, 1972, and
 description of orbital experience. Sunrise, Earthrise,
 (Crescent.) Lander - Challenger.

This was one of the finest presentations our club
 has ever had, with also the largest turnout of
 members and guests in our history.
